

Accelerating India's new space economy with the cloud

Maj Gen Clint Crosier (Ret.)

Director, AWS for Aerospace & Satellite

The world is entering an exciting and daring new space age

The space industry is rapidly growing and transforming

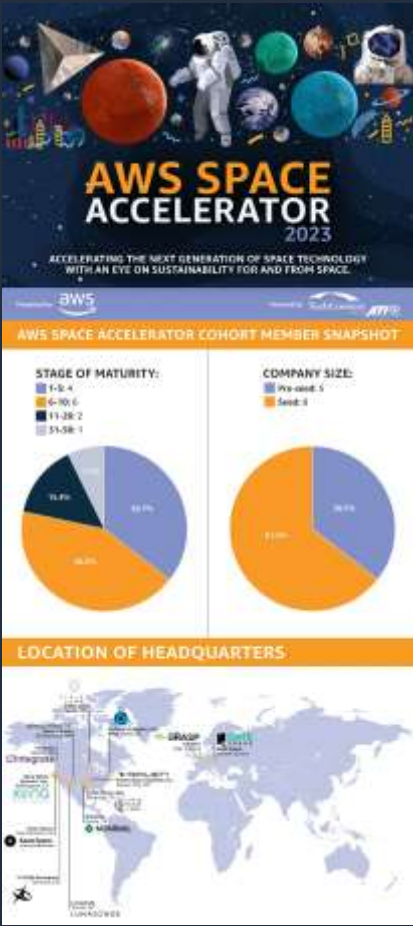

A new era of human spaceflight is dawning

Satellites launched into orbit will quintuple over the next decade

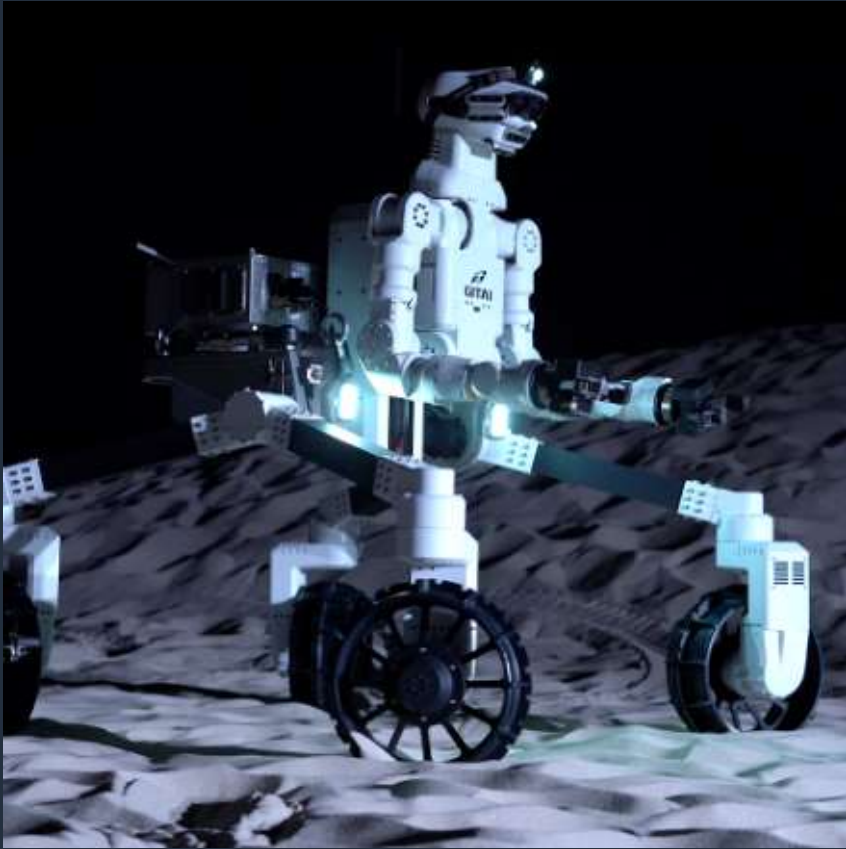

The role of startups in a vibrant space ecosystem

STARTUPS IGNITE INNOVATION AND DRIVE BOLD NEW EXPERIMENTATION IN THE SPACE INDUSTRY

The future space economy

BUILDING AN ECONOMY *IN SPACE*, IN LOW EARTH ORBIT AND BEYOND

To the stars. . .through the cloud
